Inuit Post-Secondary Education Program

KIA Student Sponsorship Funding

Welcome to Kivalliq Inuit Association Student Sponsorship program. This program provides financial and non-financial support to Kivalliq Inuit Students in the Kivalliq Region and from across Canada with the NTI beneficiary that resides in Kivalliq region so that students can achieve their post-secondary education goals.

KIA's mission is to represent, in a fair, and democratic manner, Inuit of the Kivalliq region in the development, protection, administration and advancement of their rights and benefits as an aboriginal people; as well as to promote their economic, social, political, and cultural well-being through succeeding generations.

Our goal is to fulfill its mission to assist Inuit in the Kivalliq region in training and preparation for a Nunavut Territory.

This funding is received from Indigenous Services Canada (ISC) via Nunavut Tunngavik Incorporated. This student handbook outlines the policies and practices that are in place to make sure that the program runs smoothly and fairly to all students.

Memorandum of Understanding Contribution Agreement (Student Sponsorship Agreement)

The student sponsorship agreement is an agreement between Kivalliq Inuit Association and the sponsored student, the purpose is for the student proposing to undertake training through a designated post-secondary institution located outside or in their home community that will allow them to obtain employable skills.

KIA agrees to provide contributions to the students for the training program the students are studying. Both KIA and student wish to record in writing their respective rights and responsibility with respect to KIA contributions to the student. The student sponsorship agreement will show on last page “Appendix A: Individual Sponsorship Program Allowances” which shows what the student is approved for. Once the student reviews, sign and send the document to the appropriate employment and training officer, student is officially a participant in the program.

Travel Assistance

If you are studying outside of your community, please do not book travel for yourself, work with the employment and training officer who will arrange travel for you or your family(if needed). Unless if you have already paid a travel ticket, you will be reimbursed. KIA will cover two piece of baggage per person. If you bring more than two excess baggage you are responsible to cover extra expenses.

Students whose families accompany them to school will be entitled for round trip at the start and end of school year if fully sponsored by KIA. Christmas travel will not be provided for students who have families with them.

Single students will be entitled for travel assistance from the start date to end date of the school year, only single students are eligible to receive this Christmas travel assistance.

Students must travel up to 2 weeks before and after your program start and end date.

Student Enrolment Form

Once students arrive to school, one of the first things students need to do is go to the registrar or representative for them to complete the student enrolment form. This form is to confirm and proof that students have started their training program. It is very important that students must submit this form to their Employment & Training Officer as soon as possible, as it affects student training allowance and payments. This form must be completed each semester.

No payments will be made if student enrolment form is not completed and submitted.

Tuition

Students who are fully funded or who are funded for tuition top-up by Kivalliq Inuit Association, tuition fees will be paid directly to the post-secondary institution, if students pay on their own, KIA will reimbursement tuition fees directly to student. If KIA pay directly to the student for tuition fees, the student must provide receipt after paying the tuition cost. Students must notify registrar or representative at their training institution that they are a sponsored student by KIA. Tuition payments are paid out only if Invoices are provided to Employment & Training officer. Tuition will not be paid without an invoice.

Books and Supplies

If student pays for books on own, reimbursement will be made for the full costs of required books once student provide a copy of receipt or invoice that shows the name and price.

If the training program requires specialized equipment and supplies, students are eligible to receive supplies/equipment support at a limit of \$1,500.00 per program. Students must provide invoice or receipt with detailed cost breakdown including GST and Shipping.

Lost or damaged Equipment/Supplies

Reimbursement will not be provided if your textbooks, supplies, or equipment are lost or stolen.

Advances for books and supplies

Students may request an advance for the costs of textbooks, equipment, and supplies. To receive an advance pay, students must provide an invoice or detailed list that shows the name of the item with price including shipping and GST. Receipt must be provided after purchase.

Living Allowance

Students are eligible to receive living allowance to assist with day-to-day expenses while attending college/university. If students with spouse are funded under the student sponsorship program only one may claim dependents. Spouses are not considered dependents. Dependents must be living with students while attending school.

Living allowance rate is depending on number of dependents:

Type of Student	Bi-Weekly Living Allowance
